How to access your 1-to-1 meetings

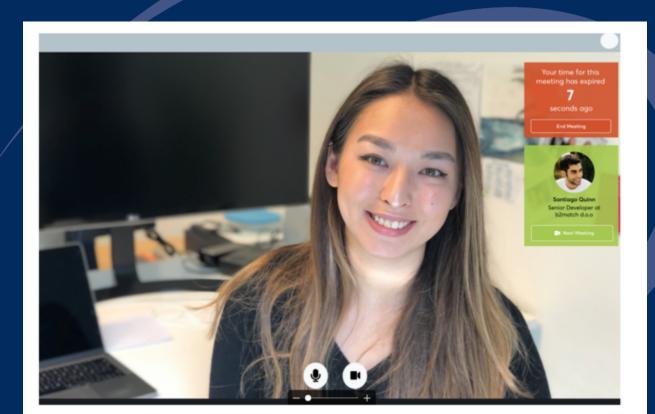

Log into

https://focused-technicalworkshopmaterials.b2match.io/ Go to Meetings and click the green icon and you will be directed to the video platform (Eyson) where the meeting will take place. Or click Agenda and choose My Agenda.

You can share your screen and show a presentation.

How it will look like

A virtual meeting can be started at any given time before its ending time.

You will see the remaining time in the right corner and your next meeting underneath.

If you have problems with the meetings check your settings and that your browser is accepting the software
